Mr. Hancock reported that the third bike route is finished. The bike route signs will be red, white and blue. We will have to purchase these signs at a 50% saving to us. Indiana State Highway gave Highland their posts. Possibly we may get some posts from them. We will need approximately fifty (50) signs and fifty (50) arrows.

We will have a workshop meeting July 10, 1975 at 8:00 p.m. Mr. Spring will call Mrs. Durochik to attend the meeting.

Mr. Monix will straighten the ditch at Larimer Park, then we can proceed with making a parking lot in front of the ditch.

Mrs. Pietrzak will make arrangements with Bill Glenn to attend out July 28th meeting.

The picnic tables for the Park will be coming soon.

It was mentioned that someone offered to donate sand to cover the infield so it would eliminate the flooding on the baseball diamond.

Our budget was cut 3% as a result of the appeal, which was lost by the Town. It amounts to \$84.00.

Mrs. Pietrzak and Mrs. Jernberg attended the workshop in South Bend on May 28, 1975.

Respectfully submitted,
