APPROVAL OF MINUTES

The minutes of the previous meeting will be discussed and approved at the next regular meeting of the Park Board.

Discussion regarding the Summer Recreation Program was very lengthy and Mr. Ducat made motion that we allocate \$1,850.00 from the \$5,000.00, which has recently been received for summer programs, and the amounts appropriated for such use from the operating budget, plus monies available in the non-reverting activities fund.

The money would be used as follows: (Bonnie March seconded the motion. Motion carried with four ayes).

One (1) Recreation Director, \$550.00 - \$600.00 and \$150.00 for help and volunteers

One (1) Park Foreman, \$550.00 - \$600.00

The above positions would be for six to ten weeks.

The Recreation Director would be responsible for a four-week summer playground program and various other classes, leagues, and special events.

The Park Foreman would work about 25 hours a week, coordinating work schedules of all SPEDY employees and maintaining and improving existing park areas.

Both positions would be subject to their respective job descriptions.

A letter will be sent to the Girls Softball League, reminding them that the southeast corner of Larimer Park is not available for organized practice or games.

ADJOURNMENT

There being no further business, Mr. Wease made a motion that the meeting be adjourned and was seconded by Bernie Ducat.

Respectfully submitted,

By: /s/ Darrell Mueller
