ANY AND ALL

Candlelight Park – Concerns related to Candlelight Trails Park were brought up by residents of the subdivision. Colleen Hansen stated that the deed to the property was received by the Park Board in December of 1993. Residents stated that trees planted in the park would be nice. William Samuelson stated the local Boy Scout troops and Cub Scout pack has indicated that they would plant trees in local parks for a community service project.

A blueprint of Candlelight Park needs to be developed. This will be used so park equipment can be purchased in the future. Calton’s Nursery has volunteered to donate a tree to the park.
