The St. John Parks Department reserves the right to cancel any rental or restrict access to fields due to severe weather, poor playing conditions or poor field conditions due to weather. User groups will not be issued refunds for cancellation. Credit towards another date will be given if cancellations are done with at least 72 hours notice. No refunds for unused credits. Weather related cancellations and credits can only be authorized by the St. John Parks Department.

Destruction of property will result in RENTER paying for all repairs or replacements that are needed and may result in legal action.

Fields Any adjustments that are needed must be stated at least 2 weeks before practice or game.

Noise Policy Amplified and/or loud music will not be allowed.

Lightning Prediction & Warning System Guidelines

A lightning system is located at or near Civic and Heartland Parks. The system is designed to provide an advance warning of the threat of lightning. When the system detects the probability of a lightning hazard, the **warning horn** will sound for a **15-second period**.

When the warning horn sounds, park patrons should do the following:

1. Stop all activity, including recreation activity, and clear the park immediately or seek proper shelter.
2. Park patrons should NOT return to the park or move out of shelter until the **ALL CLEAR SIGNAL (3 short horn blasts)** is given.
3. Cancel any games or activities if the **ALL CLEAR SIGNAL** does **NOT** sound after **30 MINUTES**. This would indicate that dangerous weather is still in the area.
4. Avoid open areas, water, elevated areas, dugouts and fencing, use of cellular phones, metal objects, isolated trees, overhead wires and power lines.

RENTER is expected to comply with the above procedures when the lightning prediction system is activated indicating a threat of lightning. All adults must act responsibly and serve as an example to younger park patrons. Failure to comply may result in an individual or supervisor of individuals (ie. Team coaches, group leaders, etc.) to be subject to a fine not to exceed \$250.00 (Ordinance 1685).

Schedule RENTERS must provide schedules prior to the event and notify the St. John Parks Department of any changes immediately.

Vehicles Vehicles are not allowed on roads and paths leading to the complex without prior approval from the St. John Parks Department. Parking in designated areas only. No exceptions.
